

Your HomeTown Stations

Social Job Posting Network

Experts Agree. Social Networking is a great place to post your jobs for excellent results. Two powerhouses in the market are Twitter and Facebook.

- 53% of all job seekers are using mobile/social
- 94% of all recruiters are using social media to recruit top talent
- 76% of all social job seekers say they found their last job on Facebook

With the Your HomeTown Stations Social Job Posting Network, your job can be posted to more than 11,000 Twitter Jobs Channels. The network consists of these social media sites:

- Twitter
- Facebook
- LinkedIn

With social media's popularity, the Your HomeTown Stations Social Job Posting Network is your best choice for finding top talent. By placing a recruitment ad with the Social Job Distribution Network, your job is automatically posted to these social media sites where you get excellent local and national coverage.
